USB port with integrated smartphone holder, made in a combination of bamboo and recycled material from milk cartons. Includes dual USB/Type C connection and 3 ports: 1 Type C port and 2 USB ports. Logo recycled milk cartons, including a protective paper.Milk cartons are mostly made of cardboard and aluminum. During the recycling process, the different packaging materials are separated for reuse and re-purposing, thus contributing to the infinite path of the circular economy. This material is well known for its high recyclability, as well as for its lightweight and resistance.Materials such as bamboo encourage the use of natural raw materials, reducing pollutant emissions. It comes from a highly resistant and versatile plant with rapid growth and regeneration, making of it an excellent alternative to traditional wood.Manufactured according to RoHS standards, with blocking system to prevent short circuits.
