?????????

Comfortable and warm beanie in nature line. Made in high-quality organic cotton -400g/m2-, grown using environmentally sustainable methods. The non-use of insecticides, fertilisers or other chemicals in the yarn and production process results in a comfortable, 100% vegetable-derived, hypoallergenic fabric, with a high level of sustainability in the supply chain.

Available in a wide range of colours, with organic cotton label. Individual packaging in a recycled material bag.
