?????????

Multifunction backpack made from 420D polyester. Offers excellent breathability in the back area and shoulder straps, facilitating heat dissipation thanks to its padded straps and back. The wide straps are designed to relieve pressure on the shoulders, allowing for comfortable carrying of the backpack over long periods.Perfect for any situation with multiple compartments:
2 front pockets.
3 large central compartments, one being a pouch, a central pocket with large capacity for storing clothes and/or accessories with an organizer inside, and two more padded pockets, perfect for carrying up to a 15-inch laptop and a 12-inch tablet.Additionally, it features a side pocket

perfect for quick access. Ideal for travel or day-to-day use with its adjustable straps, adapting to every lifestyle.

Padded Laptop and Tablet Compartment. Padded Back and Shoulder Straps

Polyester 420D
