?????????

Stylish mouse pad made of soft RPET felt. With a non-slip silicone base, making sure it remains steady during use. Including RPET logo. Presented in an individual recycled bag.The recycled RPET felt is the result of the combination of the recycling process of plastic materials together with the millenary technique of felt making, resulting in an eco-trend material that, besides being of recycled origin, also becomes recyclable.

Anti-Slip

Felt RPET/ Silicone
