Magnetic bamboo wireless charger. Charge your smartphone wireless with this charging pad. Because it has a magnet inside, you phone will stay connected to it, even when you are using your phone. Great when you want to charge your mobile device, but also want to make a call or watch a video. This charger includes an additional magnetic metal ring to support charging of non-magnetic wireless chargeable phones. Compatible with iPhone® 12 and newer. Output: DC 9V/1.1A (10W) for quick charging. The bamboo gives this charger a more natural and
