????????

Design backpack made of durable Felt RPET, with closing straps, carrying handle and shoulder straps in PU leather. Large main compartment, flap with adjustable straps and metal buckle closure. With adjustable shoulder straps and outside label with the Felt RPET distinctive. Felt RPET is the result of the combination of the recycling processes of plastic materials along with the millenary technique of felt manufacturing, resulting in an eco-trend material that, in addition to being of recycled origin, also becomes recyclable.
